Call for papers

Papers related to the conference theme: **Archaeological Sources and Resources in the Context of Museums** are now invited. Many museums and collections hold artefacts from archaeological excavations, but how this legacy is dealt with, and whether it is valued as a resource or not, vary. The topics may include case studies, find-groups or individual objects. As it is the CIPEG tradition, there is also an **Open Forum** for papers related to general museums work.

Papers will be in the form of 20 minutes' presentations followed by 10 minutes for questions and discussion.

If you wish to present a paper, please send the title and an abstract (in English) of no more than 300 words to the secretary, Tine Bagh: tiba@glyptoteket.dk and cc. to the chair Gabriele Pieke: g.pieke@gmail.com.

Abstracts should be submitted as Word files and include your name, title, institutional affiliation (if appropriate) and full contact details. Information

The deadline for receiving abstracts is Tuesday 1 July 2014!

If you wish to attend the annual meeting without presenting a paper please also inform us before Tuesday 1 July 2014.

Conference fee:

- 25 Euros for CIPEG members
- 50 Euros for non-members
- 25 Euros for students

Additional information will be posted on the CIPEG website: <http://cipeg.icom.museum/> and via mailing.
